SHOP PRICING

- 1) Enter your height and width. Note: Try to keep to the proportions of the art itself; otherwise, it will be cropped or require extra artwork which will affect the cost.
- 2) Use our contact system for any customizations showing your site photos, exact measurements and a brief. Alternately book an Art and Decor Planning Session
- 3) Receive an estimate: Mosaic tiles are charged per meter squared plus any taxes and freight from the supplier direct to your door.

PRODUCTION AND DELIVERY

- 8) Production takes 3-4 weeks
- 9) Mosaics arrive boxed in labelled sections
- 10) Sections are numbered into rows from Box 1: Rows A1-5, B1-5 etc.
- 11) Tiles are glued onto their mesh ready for installation

DIY INSTALLATION

[Download PDF Instructions](#)

- 1) Purchase an affordable tile kit from Bunnings or your hardware supplier
- 2) Layout the tiles as per their labels
- 3) Ensure your surface is smooth, clean and dust-free
- 4) If needed, use a string chalk line applicator to draft 90-degree lines

- 5) Working in sections utilize a tile trowel to spread tile glue evenly
- 6) Lay mosaics, tweak to square and hold/pin if on a vertical surface
- 7) Allow all mosaic glue to dry
- 8) Apply mortar in your chosen colour. Dark is best!
- 9) Wash off the mortar with a hose and soft sponge when dried, and you are finished.

PROFESSIONAL TILE INSTALLATION

Should you decide to use a professional tiler, we recommend they be Licensed for insurance purposes. On large jobs, we highly recommend a professional.

GUARANTEE AND CERTIFICATIONS
